Subject: Small Mouth Bass Fishing Update

---

Hi Chip,

The attached table provides a draft summary of the small mouth bass sampling efforts, including how many attempts were made and the percentage of the goal for fish caught in each of the target areas.

We have confirmed that we will be back in the field for the additional effort on Monday and Tuesday next week. Please let me know if you have any questions.

Thank you,

Bob[attachment "2012-09-18 Bass Sampling Summary Table.pdf" deleted by Chip Humphrey/R10/USEPA/US]
